VCC Lectures provide E-learning opportunities between USPTO Patent Examiners and the public. Lectures are offered through USPTO videoconferencing facilities at Patent and Trademark Depository Library (PTDL) Program Partnership Libraries located in Sunnyvale, California and College Station, TX. Topics mirror learning requirements in the ongoing Practice and Procedures technical curriculum. Registration is handled through the sectors within the USPTO and at the PTDL sites for external offerings. Start times at the USPTO begin at 1:00PM Eastern Standard Time and time zones affecting VCC locations: College Station (CST) and Sunnyvale (PST). Most lectures run about two hours, but times may vary, with some lectures as long as three hours. The schedule is confirmed for participation when published and is subject to change based on agency needs. Additional information is available from the web site at <http://www.uspto.gov/web/offices/ac/ido/ptdl/vccschedule.html>.
